

tiny\_dlna::Allocator

```
graph BT; A[\"tiny_dlna::AllocatorExt\"] --> B[\"tiny_dlna::Allocator\"]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'tiny\_dlna::AllocatorExt'. A blue arrow points vertically upwards from this box to a gray box at the top labeled 'tiny\_dlna::Allocator'. This indicates that 'tiny\_dlna::AllocatorExt' inherits from 'tiny\_dlna::Allocator'.
